

## Insert Tempo Change - Rosegarden

Tempo

New tempo:

20.70000

Tap

bpm

- Tempo is fixed until the following tempo change
- Tempo ramps to the following tempo
- Tempo ramps to:

20.70000

I have rightclick on the mouse, and choosed Edit Tempo,  
Then you will get this menu up runing, and here you can manually  
put in tempo.

- Apply this tempo from the start of this bar
- Apply this tempo to the whole composition
- Also make this the default tempo
